

**SCHAEFF**

Team Solutions for the Way You Work

**WAREHOUSING**  
Series Lift Trucks

36 Volt, 3,000-6,000 lbs.,  
Electric, Stand-up  
Counterbalance

## The Most Reliable Truck on the Market

When material has to be moved, you want to move it quickly, safely, reliably, and consistently. That's the premise behind every **SCHAEFF** electric stand-up counterbalance forklift engineered and built. Designed not only to satisfy the tough requirements of Underwriters Laboratories (UL), American National Standards Institute (ANSI), National Fire Protection Association (NFPA), and Occupational Safety and Health Administration (OSHA), but to satisfy even tougher requirements from you, the user.

New, leading-edge technology gives you a combination of power, performance, and reliability unequaled in the materials handling industry. We combine that technology with a total commitment to providing products that meet your specific application needs, and back those products with a dealer network that spans all of North America.

### Comprehensive 1-Year Investment Protection

Every **SCHAEFF** electric stand-up counterbalance forklift built is backed by a full one-year/2,000-hour warranty covering everything except wearables.

The integrated on-board vehicle management system monitors the electrical and hydraulic functions to give you even greater protection from component failure and maximize productive up time operation.

Optional three, four, and five year coverage is available, offering further protection for your investment. At **SCHAEFF**, emphasis is on designing reliability in up front to maximize mean time between failure (MTBF). System monitoring and diagnostics effectively minimize mean time to repair (MTTR).

Plated steel battery rollers are easy to remove for proper servicing.

Easy to remove panels provide access to all critical components.

Rugged, organized design increases reliability and simplifies maintenance.

### Take the SCHAEFF Challenge

Go ahead. Add them up. Feature by feature, point by point, **SCHAEFF** comes out ahead. You can count on the fact that when it comes to quality, innovation, and service **SCHAEFF** is pioneering the standard.
